**sanction the lease shall be reflected as indicated in schedule-II.**

Sl no	In Whose Favour	Officer exercising power	In Rural area	In urban area excluding Bhubaneswar, Rourkela, Sunabeda
1	Landless persons	Tahasildar subject to confirmation by Sub-Divisional Office	Up to 1 standard acre	Nil
2	Homestead less person	Tahasildar subject to confirmation by Sub-Divisional Officer	Up to 0.10 dec	Nil

The Secretary to RDC, C.D Cuttack in letter No. 710/Rev.1 dated 02.03.1996 has communicated a check list to all the Collectors to process the lease/ alienation applications before submission of proposal to higher quarters. The Joint Secy. , Board of Revenue , Odisha in his letter No. 2288/Rev-1 dated 22.12.2011 has

circulated a check list for scrutiny of proposals for lease/ alienation of Govt. land. The Tahasildars while submitting the lease applications shall fill up the check list and submit the case record along with the check list to the Sub-Collector.

**VASUNDHARA SCHEME** Vasundhara is a Government of Odisha scheme(launched in 2005-06) that set out to provide homesteads of up to 10 decimals of land to homesteadless families. To be eligible for a homestead under the scheme one cannot own any other homestead plot, should earn less than 15,000 rupees per annum, and should not possess more than one standard acre of agricultural land. In 2008, the government reported allocation of 90 percent of land through the scheme, reaching a total of 2.32 lakh households. Following the release of the report, the Rural Development Institute (RDI), a non-profit organisation working since 2008 on land issues in three other states of India at the time, performed an assessment of Odisha's homesteadless population. The results were alarming as they indicated a huge gap between those eligible under the Vasundhara scheme, and those who had become beneficiaries. In response to their findings, RDI launched a pilot intervention, with government support, in 36 villages of Ganjam, Gajapati and Jagatsinghpur districts to understand the feasibility of obtaining homestead pattas for those families entitled to them under the scheme. The intervention aimed to develop and test an allocation model which could be subsequently scaled up by government and support institutions. The first village to receive homestead pattas for 11 families under the new model was Kharibhanda, Ganjam. The 11 households had without pattas for four decades. With the Revenue Department's support, enhanced local capacity through community resource persons (CRPs), and stakeholder interest, the pilot succeeded. To date, 48 families across 7 villages have received pattas for homestead plots under Vasundhara as facilitated by RDI. The change is sustainable because RDI has helped to build capacity on the ground and enhance farming practices through collaborative efforts. Moreover, plans for the scaling up of homestead allocation through different actors are complete, and RDI's strategies have been adopted to take the process forward. Objective of the Scheme to reduce poverty through land allocation and homestead development. To leverage the Vasundhara scheme, implemented by the Government of Odisha, to the benefit of those eligible for homestead plots. Specifically, to enable women, agricultural labourers, and families to obtain access to secure rights to homestead plots

To ensure that homestead plots are productively utilised to improve food and nutritional security, income, wealth, family status and women's status To carefully measure benefits, costs and risks of allocating micro plots to women, agricultural labourers and their families. The management of land and its distribution to the needy persons are the foremost responsibilities of the Revenue & Disaster Management Department. Government land up to the extent of four decimals was being provided free of premium to each homesteadless family for house site purpose since 1974-75. The maximum extent of land to be distributed has been enhanced to Ac. 0.10 decimals vide Revenue & D.M. Department letter No. 28733 dated 3.7.2008. Vigorous attempts are being made from the highest level of Government down to the field level to expedite the implementation of this important work. This system is being governed under the provisions of Odisha Government Land Settlement Act, 1962 and the Rules, 1983. All Collectors were requested to take up survey of homesteadless families vide Letter No. 2277/R dtd. 15.01.2004. According to the enumeration conducted in the year 2004-05, as many as 2,49,334 homesteadless families were there in the State. Out of these 2,29,885 number of homesteadless families have been provided with homestead land during three years i.e. 2005-08. The ceiling of annual income for homesteadless and landless persons has been enhanced from Rs 15,000 to Rs 24,000 vide notification no. 12940, 12944, 12948, 12952 and 12956 dtd. 22.03.2011 of Government in Revenue and DM Department. All Collectors were again impressed upon to take up a fresh survey on a campaign mode to enumerate homesteadless families of the State vide

Letter No. 18923/R&DM dtd. 03.05.2011. It is revealed from Survey Report that there were 1,49,266 number of homesteadless families in the State as on 31.03.2012 out of which 1,15,827 number of homesteadless families have been distributed with homestead land as on 30.04.2013. Procedure for Settlement of Land under OPLE Act and Rules Under OPLE Act and Rules the following provisions are made for settlement of land for homesteadless and landless person.

## Homesteadless Person
